Robert F. Kennedy, Jr. “I urge all Americans to read this book”  
*JFK and the Unspeakable: Why He Died and Why It Matters*  
by James Douglass

“In JFK and the Unspeakable Jim Douglass has distilled all the best available research into a very well-documented and convincing portrait of President Kennedy’s transforming turn to peace, at the cost of his life. Personally, it has made a very big impact on me. After reading it in Dallas, I was moved for the first time to visit Dealey Plaza.  
I URGE ALL AMERICANS TO READ THIS BOOK and come to their own conclusions about why he died and why — after fifty years — it still matters.”  
— Robert F. Kennedy, Jr.

“Only by remembering this story can we take up the challenge that Kennedy left unfinished — the challenge to make peace our legacy for generations yet unborn.”
